Judges introduction regarding Alan Brown (Freelance)

Many thanks to The North of England Dobermann Club for the kind invitation to judge at the 2025 Championship show.

I did serve as a committee member for over 20 years and was at one point the chairman. So NEDC is very special to me.

I acquired my first Dobermann in 1981. My first show puppy was bought from Alma Page in 1983 (Findjans the Bogeyman). I was hooked. I travelled all over this country showing for 35 years.

My first judging appointment was 1988 at Nantwich & District Canine Society. The first Championship show I judged was The North of England Dobermann Club in 1966. Males only and had an

entry of 116. The CC went to Dizown Prime Time. RCC Nearctics Big In Japan and BPD Manzarts Black Humour at Sallate.

I went on to give CC's all over England, Ireland & Wales. In 2020 I was honoured to judge Dobermanns at Crufts. Really looking forward to my appointment in June.

Judges Introduction regarding Kirstie Forster (Megalmar)

My name is Kirstie Forster, my affix is Megalmar.

My love for dogs came at a very early age being born into a family of dog owners and lovers, my childhood days were shared with German Shephard Dogs, Yorkshire Terriers, Labradors and bullmastiffs. My competitive side first came out in horses and I competed at Show Jumping and this was soon followed in the early 1990's when I started my dog showing career with Rottweilers.

My first judging appointment was in 1997 and was for Rottweilers, I was then approved to judge Rottweilers at championship show level and carried out my first Championship judging appointment in 2016. The first Newfoundland to join our kennel came in 2010 and I campaigned, him to his UK Championship title, I currently own Saint Bernard's and have made up both UK and Irish Champions.

I am now passed to award Challenge Certificates in Rottweiler's, Newfoundland's, Saint Bernard's, Alaskan Malamutes, Dogue De Bordeaux and Russian Black Terriers.

I have always admired the Dobermann and my first judging appointment for Dobermann's was in the year 2000.

I am delighted to have been asked to judge The North of England Dobermann Club Show and feel it is a great honour; I am very much looking forward to the day.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.
(a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
(b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
- 2 (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
(b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
(a) Operations certified to the satisfaction of the Board.
(b) The removal of dew claws of any breed.
(c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.
Nor must anything be done calculated in the opinion of the Board to deceive.
- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

The attention of exhibitors is drawn to the fact that any advertisement for a coat preparation or shampoo or similar either in the Schedule or Catalogue does not imply that the use of such a preparation may not contravene Kennel Club Regulations for the Preparation of dogs for Exhibition F. This also applies to any coat preparation or shampoo or similar on sale at the Show. The attention of exhibitors is directed to the Declaration they are required to sign on the entry form.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under KC Regulations to refuse any entry.

Spectator Dogs: Spectator dogs are welcome for a small donation to the club at your discretion.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
